

Waterfield Private Equity Fund I, LP Acquires Dice Communications

Roanoke, IN - September 1, 2026

Waterfield Private Equity Fund I, LP announced the acquisition of Dice Communications, Inc., a premier provider of integrated voice, data, and wireless communication solutions. This strategic acquisition further strengthens Waterfield's portfolio in AI ready advanced telecommunications and customer engagement technologies, building on its commitment to drive AI transformation for enterprises across multiple industries.

"Dice Communications represents excellence in telecommunications integration. It is an additive platform for the coming AI world. We are happy to welcome them into the Waterfield technology family," said Richard R. Waterfield, Waterfield Private Equity's Co-Chairman and CEO.

About Dice Communications

Founded in 2009 and headquartered in Omaha, Nebraska, Dice Communications is a certified woman-owned business enterprise (WBE) specializing in the design, deployment, and management of best-in-class technology solutions. With operations spanning over nine states and serving clients in more than 35 states, Dice delivers comprehensive offerings in VOIP systems, cloud communications, wireless LAN, network security, and carrier-grade platforms. The company serves a diverse customer base, including commercial enterprises, educational institutions, state and local governments, healthcare providers, and transportation organizations. Renowned for its problem-solving expertise and high-caliber certifications, Dice earned recognition on the Inc. 5000 list of fastest-growing private companies multiple times.
